Who wrote Ultra Manifestation Program?

The author of the Ultra Manifestation program is David Sanderson. We learned about how hard his life was, so this is pretty relatable. He has had to go through a lot of hard times to get where he is now.

When he went to visit his family, he found that his own family was kind of broken. His mother started drinking too much and could no longer comfort him. He has three siblings, and he was the one who put them in order. When he was 18, the man who was dating his mother kicked him out of the house.

He is going to be a successful author because he has been through a lot of sadness, failure, and being alone. Like the story of his own hard life, he wants to help people who have been hurt by failure in their own lives. He wants to teach other people the self-manifestation method he used to make himself successful.

Why Is This Program Needed?

This program is perfect for people who want to share their lives, thoughts, and events, or who need to prove something. If you want to make good changes in your life, you need to change the way you think in your subconscious.[3]
